ABOUT THE COVER

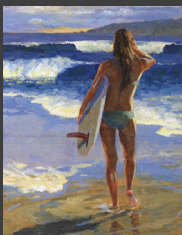

Front Cover: "Local Artist"
by Robin Wethe Altman

Back Cover:
"Lawn Bowling in Laguna Beach"
by David P. Cooke

In June 2015, the City of Laguna Beach installed four temporary murals on the wall of the Verizon building facing Ocean Avenue in the downtown. The four painted murals are by artists: Robin Wethe Altman, Carole Boller, David P. Cooke and Michael Hallinan. The series is titled "Postcards from Laguna" representing our community and living life like a local. The installation was funded by the lodging establishments and City of Laguna Beach. Thank you to Verizon for their support of public art by allowing the use of their building for the installation.

#33897	Th	3:30–5:00pm	11/5–12/17	ALP	\$205

Level 5. The emphasis moves toward strategy and how to play the game of tennis competitively, with a variety of power, placement and spin. This involves much more focus on drills and repetition, as well as competition against others in the class.

**Skips 11/28*

#33898	F	3:30–5:00pm	9/11–10/30	ALP	\$205
#33899	F	3:30–5:00pm	11/6–12/18	ALP	\$205

ADULT

Beginner. This lesson is for the adult who has limited knowledge or experience in the game of tennis. These lessons emphasize the strokes of forehand, backhand, volleys and overhead smashes, and are designed to get the beginner playing tennis as soon as possible.

**Skips 10/6, 10/13, 11/24*

#33900	T	6:00–7:00pm	9/8–10/27	MM	\$157
#33901	T	6:00–7:00pm	11/3–12/15	MM	\$157

Advanced Beginner. This is for the adult who has spent some time on the tennis court recreationally, but needs to learn the proper strokes to lessen the chance for common injuries like tennis elbow. In addition to continued work on topspin forehands and backhands, this lesson begins instruction on the serve.

**Skips 10/6, 10/13, 11/24*

#33902	T	7:00–8:00pm	9/8–10/27	MM	\$157
#33903	T	7:00–8:00pm	11/3–12/15	MM	\$157

Intermediate/Advanced. These lessons involve more drills, repetition and frequently involves players who have played more competitively than recreational tennis. Lessons involve “stroke of the week” drill, cycling through forehand, backhand, volleys, serves, movement & strategy.

**Skips 10/6, 10/13, 11/24*

#33904	T	8:00–9:00pm	9/8–10/27	MM	\$157

**STREET SWEEPING HELPS
PROTECT OUR BEACHES
AND OCEAN!**

- Keeping our beaches and ocean clean is something every Laguna Resident can support. One great way to do your part is to keep your car off the street on street sweeping day.
- Streets become contaminated with fine particles that are not noticeable, but are indeed on the street.
- Particulate matter is a mixture of brake dust, tire rubber, motor oil, coolant, grease, lead, zinc, iron, copper, cadmium, chromium, nickel and aluminum. These materials fall off vehicles as part of the normal aging and use of vehicles.
- Weekly street sweeping collects these materials and prevents them from entering the storm system and the nearby beaches and ocean.
- Help us keep the beaches and ocean clean. Move your vehicle for street sweeping!

NEW! PLAYTIME ADVENTURE

Playtime Adventure is an activity program for children ages 3-4 in partnership with AYSO Region 86 that will help improve their physical motor skills, provide a foundation for an active lifestyle and prepare them to participate in sports programs. Created by experts in child development, Playtime Adventure combines physical learning with fun and imagination. To complete the adventure, the child utilizes and develops specific motor skills. At the end of each class, once the child has found the lost soccer treasure, the child will receive a Soccer Treasure sticker that can be placed on the 'gold space' on the storybook. The children take the storybook home and replicate the skills and adventures at home. The sequence of class and home participation continues until skill by skill, all treasures are collected. All participants receive a t-shirt, storybook, and treasure stickers.

**SUBMIT YOUR QUESTIONS AND
REQUESTS ONLINE USING
"CITY HALL CONNECT"**

*Have you used the City's new
online request system?*

It's fast, free, and the easiest way to communicate directly with City Hall. The City Hall Connect system is accessible 24/7 by clicking on the icon located on the City homepage (www.lagunabeachcity.net).

Connect

Once a question, comment or request is entered, the message, or "case," will be automatically routed to the appropriate City department and staff member for prompt response and follow-up if necessary. Residents will also have the ability to track and review their current and previous cases. Additionally, the City Hall Connect system includes an interactive list of Frequently Asked Questions that provides information and helpful links for various City services and programs.

This new technology initiative is designed to facilitate an improved customer service experience and is already being used successfully by many local residents. We encourage you to get "connected" and sign-on today!

The City of Laguna Beach is in the process of developing an arts and cultural plan. This plan will create a cultural blueprint highlighting Laguna Beach's strengths, areas of opportunity, and innovative goals for the future. It is important that all Laguna Beach residents have a chance to share their thoughts about the future of our great community.

So help us shape the Laguna Beach Arts Plan! What is important to you? What should our priorities be?

Please take our survey by October 5, 2015 at lbartsplan.com.

CONNECT THE DROPS

KNOW WHERE YOUR RUNOFF GOES

Runoff is water from sprinklers, hoses or rain that leaves your property. This water can wash litter, pet waste, motor oil, pesticides and other pollutants into the storm drain where it flows untreated into our creeks, rivers, bays and ultimately, our ocean. Make the connection – help prevent water pollution from the start.

Why Recycle Used Oil?

Did you know that used motor oil never wears out? It just gets dirty and can be recycled, cleaned and used again. Motor oil poured onto the ground or into a storm drain or tossed into trash cans (even in sealed containers) can contaminate and pollute the soil and our water. Recycling your used motor oil reduces this pollution threat, protects the environment and conserves a valuable resource. A winning combination!

About the Certified Centers

The Department of Resources Recycling and Recovery (CalRecycle) encourages the recycling of used motor oil by certifying used oil recycling collection centers throughout the state. Certified Used Oil Collection Centers will take used motor oil from the public and will pay you 16 cents a gallon. Most centers will take up to 5 gallons at a time. However, due to periodic under-capacity, some centers may accept only small amounts of used oil. Also, some, but not all centers accept used oil filters. Please call the center of your choice to verify prior to your visit.

What About Contaminated Oil?

Certified center managers will not accept used motor oil that has been contaminated with other fluids such as anti-freeze, solvents, gasoline, or water. So please, don't mix your used oil with anything. However, if your used oil accidentally gets contaminated, your certified center manager can tell you where to take it for proper disposal. Alternatively, you can get information from the City of Laguna Beach Public Works Dept. about how to deal with your suspected contaminated oil. Call (949) 497-0344.
